

Bulletin #2010-001 1 – January - 2010

Subject:

2010 Rally America National Championship

Overview:

The 2010 Rally America National Championship shall consist of six events:

Round #1: Sno*Drift Rally

Round #2: Rally in the 100 Acre Wood

Round #3: Olympus Rally

Round #4: Oregon Trail Rally

Round #5: Susquehannock Trail Performance Rally

Round #6: New England Forest Rally

Effective immediately, Article 9.1.B shall be replaced with the following:

- B. All rounds of the National Championship will be counted toward the championship. There will be no minimum number of events needed to qualify for the Championship.

Rationale:

While some will argue that allowing one or more drops rewards drivers who take risks, it can also be argued that drivers will skip events for various reasons. This formula encourages drivers to enter all six events which is best for the economics of managing the individual events as well as the series as a whole.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
