

**Bulletin #2**  
**2018 Rally in the 100 Acre Wood**  
**March 13, 2018**

**To:** All Competitors and Service Crew

**Subject:** Stewards, Saturday Start Order, and Remote Fuel Depot

1. Section 2.4 of the Supplementary Regulations are revised as follows:  
 Stewards Steve Gingras, Bill Fogg, Rob Bohn
2. The Saturday start order will be based on Friday's stage times from stages 1 through 5.
3. The third leg on Saturday is 96.61 total miles, 67.51 transit & 29.10 stage. An exception to 5.7.B.2 was previously granted to the 90 mile total mileage requirement because of the low stage to transit ratio. However, teams wishing to refuel their vehicles may do so at the Casey's General Store in Viburnum MO, which is along the transit from FTC 17 to MTC 4. Note: Regular Unleaded fuel is only available at the store. PRR 10.1.D.1 National Competitors entered in the Open Class must use an approved fuel and cannot use pump gas. Crews may leave after the second service on Saturday and drive to Viburnum to refuel their team's vehicle. Add instruction 22A on page 68 of the Saturday portion of the route book to the following:

		55		N 37 46.345	W 91 06.040
21	16.00	4.32		Viburnum (35 mph)	34.81
22	16.34	0.34		Left onto Hwy 49	34.47
22A	16.64	0.30		Casey's General Store Optional Remote Fuel Depot (Fuel Only, No Service)	34.77
		35		N 37 43.087	W 91 08.179
		4.40
