- 11.6 The Maximum Permitted Lateness for the rally is 30 minutes. Exceeding 30 minutes results in a time-bar.
- 11.7 In the event of a large time gap between teams, an ATC may require a competitor to immediately enter the time control early without penalty in order to reduce the gap and improve safety. Competitors so “waved in” must comply without delay. This is in the team’s best interest and helps avoid a time-bar due to scheduled stage closing times.
