2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

1. DESCRIPTION and GENERAL INFORMATION

- 1.1. The **Sno*Drift Rally** is the 2018 Rally America National Championship's premier winter rally. The event also includes the **Sno** and **Drift** regional rallies.
- 1.2. **Sno*Drift** will take place on the roads of Montmorency County, Michigan from January 24-27, 2018. The itinerary includes 15 stages totaling ~110 miles of recently plowed winter stage roads. **Sno** is planned to cover 8 stages totaling ~ 50 stage miles on Friday. **Drift** is planned to cover 7 stages totaling ~ 70 stage miles on Saturday. The route is compact and takes place entirely within a 20 x 25 mile rectangular grid leading to easy service planning and convenient spectating (including service crews).
- 1.3. Rally Headquarters and Competitor, Press, and Worker Registration will be in the Atlanta Senior Center, 11780 M-33 North, Atlanta, MI 49709. (~.6 mi N of the M-32 / M-33 intersection -- see Appendix 2 for map).
- 1.4. **Sno*Drift** will start in Lewiston, MI, on January 26, and finish at the Hillman Community Center in Hillman, MI, on January 27.
- 1.5. There will be a Parc Exposé at the start of each day of the rally. Vehicles must check in per assigned time "windows". The layout of each Parc Exposé showing the check-in locations is in the route book. Each is identified by standard Clock signs denoting entry into Parc Exposé. Instructions for parking will be given by marshals. Drivers and co-drivers are encouraged to remain in Parc Exposé near their cars to interact with the public.
- 1.6. Servicing in Parcs Exposé may only be performed by driver and co-driver, using parts and tools normally carried in the vehicle. All such parts and tools are to remain with the vehicle, properly secured for travel through stages when departing Parc Exposé. Penalties per 8.2 A 12 of P.R.R.s.
- 1.7. Servicing will take place at the Atlanta High School both days (see map in Appendix 2 for location.)
- 1.8. The Media Room will be located in the NE corner of the Atlanta Senior Center.
- 1.9. All stages on **Sno*Drift** are on unpaved surfaces. The competitor can expect roads to be snow covered and/or icy. All stages will be plowed prior to the start of the rally. Recent light snow may not be cleared.
- 1.10. Portions of these Regulations that vary from the RA Performance Rally Rules will be indicated by a bar as shown in the left hand margin. The inadvertent omission of this bar shall not be grounds for inquiry or protest.
- 1.11. Amendments or additional provisions to these Supplementary Regulations will be announced by dated and numbered Competitor Bulletins. All bulletins become an integral part of these regulations. Copies of bulletins published prior to January 15 will be included in the advance information packet . Later bulletins will be included in competitor registration packets and/or posted on the official notice board.
- 1.12. The organizers will email a package of route, service and recce information to registered drivers, co-drivers and crew chiefs on Monday, January 15, 2018. This information is to be used for internal team planning purposes and not to be redistributed.
- 1.13. Lodging can be difficult to find, as most rooms in the area are reserved very early. Refer to the event website at www.sno-drift.org for updates on available lodging.

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

2. ORGANIZATION

- 2.1. The Organizer of the **Sno*Drift Rally** is Sno*Drift Rally, Inc.
- 2.2. Address and contact information for all matters pertaining to the event are as follows:

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

3. ENTRIES

- 3.1. Entries open at 12:00 AM on November 27, 2017, and close at the close of registration on January 26, 2018. A 60 car limit will be employed based on order of full payment.
- 3.2. Entry should be made online at www.rally-america.com. Click on "LOGIN" in the right hand margin. There is also a link to this site at www.sno-drift.org. Once an online entry has been made, the corresponding payment must be through the Registrar, Mary Shiloff, either by check, cash or credit card, before the entry will be considered complete.
- 3.3. **Entry fees include:** Stage notes, recce participation, one Service Crew Kit, use of a single service spot and entry to the After Event Party for two registered team members and two registered service crew.

Cash Entries paid on or before	Early 12/22/2017	Regular 1/12/2018	Late - After 1/12/2018
Sno*Drift Championship Rally	\$950	\$1050	\$1250
Championship & Both Regional Rallies	\$950	\$1050	\$1250
Saturday-Only Drift Regional	\$600	\$650	\$700

Credit Card Entries paid on or before	12/22/2017	1/12/2018	After 1/12/2018
Sno*Drift Championship Rally	\$980	\$1080	\$1290
Championship & Both Regional Rallies	\$980	\$1080	\$1290
Saturday-Only Drift Regional	\$620	\$670	\$725

Competitors wishing to purchase an extra, clean set of stage notes for \$25 must indicate so when entering the event and include the extra \$25 with payment of their entry fee.

Additional service spots may be purchased for \$200 each.

Extra Party tickets are available for \$10 each.

- 3.4. All entrants from the 2017 Sno*Drift Summer Rally will receive a \$50 entry fee credit to apply toward their 2018 Sno*Drift Early Entry (not towards a regular or late entry).
- 3.5. Credit card payment may be made by contacting the Rally America registrar by phone. Cash entry must be mailed to the Rally America registrar. Make checks payable to "**Sno*Drift Rally, Inc.**"
- 3.6. Entries submitted at the event must be paid in cash or by credit card.
- 3.7. Entry fees will be refunded less a \$100 processing fee if the team withdraws prior to January 15, 2018. Entries not accepted will be entitled to a full refund.

4. FUEL

- 4.1. Fuel must meet Rally America PRRs. There will be racing fuel available, by prior reservation, from VP Fuels, the Rally America approved vendor. The reservation form is available from Rally America or the Sno*Drift web site. The time and location schedule for the VP Fuels truck will be emailed to registered drivers and co-drivers and posted at registration.

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

5. PRACTICE / TESTING

- 5.1. Practice or testing on any public road other than the official test sessions of 5.4 is forbidden:
 - Within Montmorency County for a period of 90 days prior to and 30 days following the 2018 Sno*Drift.
 - Within a 50 mile radius of Atlanta, Michigan for a period of 30 days prior to and following the 2018 Sno*Drift.
- 5.2. Any practice or testing on a private road or facility within the above-noted boundaries and dates must be conducted with the written permission of the property owner. The Clerk of the Course is to be given at least 48 hours advance notice of any such arrangements, including a copy of the permit and contact information for the property owner(s).
- 5.3. Teams found in violation will be barred from starting or excluded from finishing Sno*Drift and their entry fees will not be refunded. The Clerk of the Course shall be the sole arbiter of any potential violation. Participation in the event press / practice stage and/or event reconnaissance during their scheduled times is not considered a violation.
- 5.4. Two test sessions on a closed road representative of Sno*Drift road surfaces will be available to interested competitors on Wednesday, January 24. Each session lasts 3.5 hours -- one from 8:30 AM to 12:00 PM and another from 12:30 PM to 4:00 PM (no new runs after 3:45 PM). Jemba notes will be provided. The test road is approximately 2 miles long and operates in the "down and back" format with cars running in groups of 3 or less to minimize waiting at the turn-around. Each end is radio controlled and you cannot leave unless released by the marshal.
- 5.5. Cost is: \$200 per session, payable when reserving by contacting the Registrar. Sessions will be scheduled on a first paid, first served basis (entry must also be paid in full). Max of 15 cars in each session.

6. RECONNAISSANCE

- 6.1 Single pass "scripted" reconnaissance (recce) will be available on Thursday, January 25 per the schedule in Appendix 1. This will take most of the day, and teams should plan on having their service crews take their cars through Scrutineering.
- 6.2 A brief recce registration will be held on Wednesday, January 24, from 7:00 PM to 9:00 PM at the Atlanta Senior Center. All participating recce teams (driver or co-driver) must appear to collect their materials and register their recce vehicle. This will not be in lieu of *Sno*Drift* event registration. The materials will include a vehicle identification sticker that must be affixed to the upper right corner of the recce vehicle windshield and plainly visible.
- 6.3 Vehicles used for recce must be normal street vehicles with no lettering or advertising which would call undue attention to the vehicle; exhausts must be quiet. No prepared rally cars will be allowed. The Clerk of the Course shall be the arbiter of the suitability of all reconnaissance vehicles.
- 6.4 Competitors will be given simple instructions for a recce route, stage opening and closing times, and special speed limits. At stage starts there will be a recce control car to hold competitors until the stage opening time and then release them individually at approximately ½ minute intervals. Competitors drive their own pace through the stages and public road sections (but must adhere to the stated speed limits and respect the opening and closing times).

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

- 6.5 Each participating vehicle must contain two or more persons, including the driver and co-driver of record for the entry. Additional passengers are allowed only if they are a registered driver or co-driver at this event. If a Rally America licensed driver or co-driver not competing at Sno*Drift wishes to participate in recce they must register their participation by contacting Mary Shiloff no later than January 15, 2018 and paying a nominal fee of \$10 per person (\$25 if they want a set of stage notes).
- 6.6 Please note that the limitations of PRR 7.1.B still apply.
- 6.7 A radar gun may be used to check for speeding during reconnaissance on stages and connecting roads. These locations will be identified by a standard red RA "clock" sign. Penalties will be assessed as allowed by PRR 8.2.E.

7. REGISTRATION and OFFICIAL NOTICES

- 7.1 Registration will be held at the Atlanta Senior Center per the schedule in Appendix 1.
- 7.2 The Official Notice Board will be at Registration on Wednesday evening, Thursday and Friday morning. It will be at the Albert Township Hall during Friday's Parc Exposé and then the Service Area in Atlanta during the Friday competition. On Saturday it will be at the Briley Township Park Pavillion during Parc Exposé, followed by the Service Area and then at the Finish in Hillman on Saturday.
- 7.3 **PLEASE REMEMBER...**all participants (competitors, service personnel and volunteers) under 18 years of age must have the signature of one parent or legal guardian on a Rally America waiver form in order to receive a wrist band. We will have these forms available at the entrance to the registration site. In order to prepare this document in advance if needed, a Rally America minor waiver form is available from registrar@sno-drift.org upon request.

8 SCRUTINEERING

- 8.1 Scrutineering will be held at the Atlanta School Bus Garage per the schedule in Appendix 1. Teams are reminded that per PRR 6.4.B.4 all series required stickers and identification are to be in place when they arrive at scrutineering.
- 8.2 Teams that incur significant vehicle damage on Friday and intend to restart on Saturday must arrange to be re-inspected prior to entering Parc Expose by making an appointment with the Chief Scrutineer. His cell is 260-579-3959 (for scheduling Saturday morning appointments, only).

9 PRESS STAGE

- 9.1 A Press Stage is scheduled for Thursday, January 25 from 4:30 PM until 6:30 PM. Location will be noted in the route and service books. Competitors may come and go to the practice stage any time while it is open. A fee of \$10 per run will be collected by the starter prior to each run. Press Stage fees will be donated to local charitable organizations. All teams are invited.
- 9.2 Competitors must complete registration, have full safety gear, and pass Technical Inspection before being allowed on the Press Stage. Pre-arranged press participants (coordinate with the Chief of Publicity) must have helmets, head and neck restraints, firesuits and have signed the waiver.
- 9.3 The Press Stage is not designed to be a test and development opportunity and will only afford "emergency" roadside assistance from a single vehicle per entry. Entries desiring to conduct significant testing should reserve testing time on Wednesday, January 24 as noted in 5.4.

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

10 START OF THE RALLY

- 10.1 The draw for start order (if required) will be conducted by the Steward(s) after the press stage (~6:45 PM) on Thursday, January 25 at the Atlanta Senior Center.
- 10.2 The preliminary starting list will include mandatory arrival times for the Parc Exposé and will be posted as soon as possible after the close of registration on Thursday. The final start list will be posted on the Official Notice Board in Lewiston no later than 2:30 PM on Friday, January 26. The Leg 3 restart list will be posted at the Official Notice Board at the Atlanta Parc Exposé no later than 9:00 AM on Saturday, January 27.
No changes will be made to the start order after 2:45 pm on Friday or 9:15 am on Saturday.
- 10.3 The Sno*Drift and Sno official start will occur at the Lewiston Parc Exposé at the time specified in Appendix 1. The Drift official start is at the Atlanta Parc Exposé.
- 10.4 The starts on Friday and Saturday will be ceremonial, i.e., competitors will depart the MTCs as soon as they receive their time cards. Competitors must, however, base their ATC check in time to SS1 and SS9 on their time cards.

11 RUNNING OF THE RALLY

- 11.1 **Sno*Drift** consists of 5 sections of 2-4 stages each. Sections 1 and 2 (the whole of the Friday competition) comprise **Sno**, the first regional. Sections 3-5 (the whole of the Saturday competition) comprise **Drift**, the second regional. Competitors eligible to restart per PRR 7.16 may do so at a subsequent RGC or at MTC 3.
- 11.2 Competitors are expected to bring well-prepared equipment and drive in a manner that allows them to complete the course in the allowed times without assistance. This includes hazards such as hills, icy roads and below-freezing temperatures.
- 11.3 It is the intent of Sno*Drift to give teams encountering difficulty the opportunity to complete stages when practical. A safety sweep crew travels each stage to ensure the road is cleared of any medical situations and that all competitors are accounted for, entering stages shortly after the start time of the last competitor. Upon reaching a stuck competitor the safety sweep crew will immediately offer to extract the competitor with a **single** pull using the competitor's tow strap. A competitor so extracted will be allowed to continue ahead of safety sweep (so long as the stage is open) and will be penalized with a stage time equal to bogey time plus 10 minutes (which is also 10 minutes of MPL). If assistance is not accepted or if the single pull is unsuccessful, the safety sweep crew will continue past (to remain on schedule for the safety of the last competitor), taking the team's time card and effecting a time-bar for the day. A COMPETITOR PASSED BY SAFETY SWEEP IS NO LONGER IN COMPETITION.
- 11.4 Heavy sweep follows safety sweep and will assist in removing stranded competitors and vehicles from the course. Heavy sweep may choose to leave competition vehicles within stages during the first of two runnings in the interest of maintaining schedule.
- 11.5 The maximum score for any stage a team completes is bogey time plus 10 minutes.
- 11.6 The maximum permitted lateness and the maximum charged lateness for each stage is 10 minutes.
- 11.7 The maximum permitted lateness for each section of the rally is 30 minutes. Exceeding 30 minutes results in a time-bar.
- 11.8 Stage start controls will close after the last car, or 30 minutes after the planned start time of the last car, whichever comes first. Stage finish controls will close upon the passing of the safety sweep crew. Teams that arrive at a start control after it closes are considered time-barred and must immediately suspend from the competition (they may be able to restart per PRR 7.16 as noted in 11.1 above). Should a control not be placed, the provisions of PRR 7.5.A.3 apply.

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

- 11.9 In the event of a large time gap between teams, an ATC may require a competitor to immediately enter the time control without penalty in order to reduce the gap and improve safety. Competitors so “waved in” must comply without delay. It is in the team’s best interest and helps avoid a time-bar due to scheduled stage closing times.
- 11.10 All time card exchanges are specified in the Route Book.
- 11.11 Officials will be identified by the large laminated cards they will wear on their necks. All rally officials and their delegates are Judges of Fact. Their observations constitute valid testimony, and they are authorized to report violations of these rules and the Rally America rules to the Stewards.
- 11.12 All speed limits, which may differ from posted limits, are given in the Route Book and the recce instructions. These are mandatory, and any penalties for excessive speed will be based on these speed limits.
- 11.13 Transits are not for testing rally cars. All roads leading in to stage ATCs will be designated as Quiet Zones. Drivers are not to “warm their tires or diffs” with swerving maneuvers on public roads.
- 11.14 Please do not block side roads or driveways while waiting to check in at an ATC. Please do not use the area in the vicinity of an ATC as a rest room. Local residents have cited both and we need their support for the rally to continue.
- 11.15 *Sno*Drift* will incorporate a “Super Special” stage on private property located near Lewiston. There will be no Stage Notes or parade for this stage. Competitors will be allowed a single low speed drive through the stage on Thursday afternoon as part of recce.
- 11.16 The Super Special will be scored the same as any other stage on the rally – i.e. PRR 8.1.H will not apply. The organizer may assist and/or remove any competition vehicle stranded on the Super Special at any time. Any competitor so assisted is subject to the scoring provisions of 11.5 through 11.8 above.
- 11.17 If a control issues a time that the competitor believes to be in error, the competitor may point out the problem to the control worker and request a correction. If the dispute cannot be solved immediately, the worker shall, on request, initial the time and note the nature of the dispute in the Control Log. The competitor may then submit a written inquiry to scoring.
- 11.18 All competitors are advised to review the paragraph in the Rally America rules (7.10) concerning Force Majeure. Remember, stages are hot unless stopped by a red cross.
- 11.19 Any circumstances not covered by these Supplementary Regulations and the Rally America Rules shall be decided by the Chairman, Clerk of the Course, and/or the Stewards, as applicable.

12 SERVICE

- 12.1 Service spots are ~ 20 x 50 ft. Extra, adjacent spots (20 ft wide) may be purchased for \$200 each, which will increase the width, but not the length. If your service rig will not fit the 50 ft service spots, you may make arrangements with the service area chief for use of one of the limited number of extra length spots for \$200 (first paid, first served), or you may purchase enough extra service spots to accommodate your rig.
- 12.2 Service on both days will be at the Atlanta High School. Service spots will be assigned by the Chief of Service based the event entry and paid-in-full additional site requests the Registrar has on hand as of noon, Thursday, January 18. Spot assignments will be posted at registration on Thursday. Approximate time allowances for servicing are given in Appendix 1.
- 12.3 Service crews will be allowed to park and set up in their assigned space once the service area opens.. Service area personnel will assist them in finding the correct spot. Crews needing to offload their competition car either day should do so outside the service area proper. There is a large plowed lot across from the Atlanta School that may be used for offloading.

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

- 12.4 **Only official, competing and registered service vehicles in possession of a valid access pass are allowed entry into any service area. The Service Area speed limit is 5 mph.**
- 12.5 Each service vehicle and all service personnel must be registered. There is no limit to the number of service vehicles per competitor; they must be registered and fit within the assigned service spot. All service crew participants, including minors, must register, sign a waiver and pay a \$10 fee which activates their participant accident insurance. Proof of insurance (declarations page) for all service vehicles in at least the minimum amounts required by PRR 1.6.C is required at registration.
- 12.6 Service crews must use a tarp under competing vehicles at all times while they are being serviced. These tarps must extend beyond the vehicle in all directions. Violation will constitute illegal service as per PRR 8.2.A.11.
- 12.7 The Fuel Depot will be located at the Atlanta High School so that additional service personnel will not be required. Competition vehicles may not be refueled in a service area, except when in the fuel depot itself. The only permitted activity in a fuel depot is the addition of fuel as defined by PRR 10.1.D. Refueling equipment should be identified with the team number. Competitors or crews must clean up any spills and remove all equipment by the Depot's closing time each day. Fuel equipment left overnight will be impounded and will be released upon payment of a \$50 fine to the Chief of Service.
- 12.8 Service crews should notify the Chief of Service if they leave the service area to retrieve a broken car.
- 12.9 Trailers used for servicing are allowed in the service area provided they fit within your assigned service spot. Since maneuvering trailers can be difficult in the aisles of the service areas, if you don't need your trailer for service, please leave it at your motel, or use a dropoff lot outside the main service area. At the end of the rally, vehicles with trailers will not be allowed access to the Hillman Community Center lot. They may park next door in the St. Augustine Church lot.

13 IMPOUND AND TEAR DOWN

- 13.1 All finishing vehicles will be directed to Impound at the final Main Time Control. The vehicles are required to remain in the Impound area until released by the Event Steward or his designee, or referred for additional inspection as directed. Selected vehicles may be subject to tear-down.

14 RESULTS / AWARDS

- 14.1 Results will be posted in accordance with Rally America rules.
- 14.2 Trophies will be presented to the drivers and co-drivers of the winning entries in each class, provided a minimum of two (2) cars are entered in the class. Trophies will also be presented to the Overall winners of *Sno*, *Drift*, and *Sno*Drift*. Additional awards may be announced via Official Notice.

2018 Sno*Drift Rally

SUPPLEMENTARY REGULATIONS

Appendix 1 – Schedule of Events

Wednesday, January 24, 2018

Testing	8:30 AM – 4:00 PM	Location will be given to Participants
