

January 30-31, 2015

## **Competitor Bulletin # 1**

### **Opening of Entry and Subaru Early Entry**

Sno\*Drift online entry will now open on December 3, 2014. The early entry deadline of December 19, 2014 as announced in the Supplementary Regulations still stands.

Subaru is continuing their contingency program for 2015.

The program includes an early entry fee credit of \$500 off National Early Entry and \$300 off Regional Early Entry which is available to ANY Class, Model or Year Subaru. You just need to be among the first 10 Subaru drivers in National or first 10 in the concurrent Regionals to register and pay the Early Entry Fee.

Subaru entrants wishing to take advantage of the early entry fee credit and paying by credit card will need to contact the Registrar to arrange the payment; she will inform you if you are among the first 10 Subaru drivers to make payment and the entry fee discount will be immediately applied.

Subaru entrants wishing to pay by check should enclose the entire early entry fee (without the discount) and if the payment is among the first 10 Subarus when received by the Registrar, a refund check will be issued once the entry fee check clears.
